

2010 Disease-Specific Care Certification Manual Table of Changes

Effective January 1, 2010

This table includes information, listed by chapter, reflecting the major changes made in your *2010 Disease-Specific Care Certification Manual* since the publication of the 2009 edition. It is provided to give you a general idea of the kinds of updates that have been made.* (Minor editorial changes are not included.) Any revisions to standards or elements of performance (EPs) noted below are effective January 1, 2010. In case your organization is surveyed before this date, please follow the existing standard/EP as you will be surveyed against that existing requirement. After January 1, 2010, you should consider only the standards/EPs in this manual.

Chapter	Type of Change
