

CORRECTION: Home Care Applicability Grids

The applicability grids at the service delivery mode level for **hospice** and **home medical equipment** for the **home care** program are inaccurate in the *2009 Comprehensive Accreditation Manual for Home Care (CAMHC)*.

Correct grids are located on The Joint Commission Web site at <http://www.jointcommission.org>, and can be viewed by selecting the “Accreditation Program” tab and then

the “Home Care” program option. The direct link is as follows: <http://www.jointcommission.org/Accreditation/Programs/HomeCare/>.

The *Spring 2009 Update to the CAMHC* will include revised and accurate applicability grids for the home care program. We regret the errors.
