

2019 Hospital Accreditation Essentials

March 27-28, 2019 | Las Vegas, NV

Join us to receive hands-on, practical guidance from hospital accreditation experts to boost your compliance efforts.

Who Should Attend

Join us for a two-day strategy-based seminar designed to provide you with practical solutions and implementation tips that can be adapted and applied to your organization using The Joint Commission's hospital requirements. Professionals in roles responsible for accreditation-related activities should attend, including:

- Administrators
- Quality Improvement Leaders
- Risk Managers
- Accreditation Managers
- Medical Directors

What You Will Learn

This program will guide you through the hospital requirements including the current status of Project REFRESH, a process improvement initiative at The Joint Commission, and the SAFER™ Matrix. Experts will identify the current benefits, trends, and updates to National Patient Safety Goals® being used among accredited hospitals. All attendees will review the relationship between Joint Commission standards and the Centers for Medicare and Medicaid Services Conditions of Participation (CoPs).

Objectives

At the conclusion of this program, you will be able to:

- 1) Discuss the accreditation process, including the Intracycle Monitoring process to identify and manage risk points throughout the accreditation cycle.
- 2) Identify new and challenging requirements within each chapter including compliance strategies.
- 3) Discuss the unique aspects of their hospital's accreditation.
