- Accreditation Managers

Faculty

Jay Afrow, DMD, MHA
Field Representative, Ambulatory Care
The Joint Commission

What You Will Learn

This two-day seminar presented by ambulatory surveyors not only presents challenging ambulatory care standards, but also offers ideas and solutions. Hear about the new requirements in the Environment of Care and Emergency Management chapters impacting deemed status surgery centers and federally qualified health centers in 2019. A variety of issues related to compliance with infection control and safe medication handling expectations in both primary and specialty care settings will be reviewed. The impact of the SAFER™ Matrix on ambulatory surveys and an update on challenges facing outpatient hospital-based sleep labs is included.

Joe Flannery, MS, MHA
Field Representative, Ambulatory Care
The Joint Commission

Objectives

At the conclusion of this program, you will be able to:

- 1) Identify a hot topic in The Joint Commission's survey process.
- 2) Translate the changes related to The Joint Commission's standards and survey process into your organization's ongoing survey readiness activities.
- 3) Discuss at least two Joint Commission National Patient Safety Goals®
- 4) Recall compliance tips related to the Environment of Care, Emergency Management and/or Life Safety standards, as it applies to your ambulatory setting.
- 5) Implement strategies for complying with new and challenging standards in your practice setting(s).
