

## Faculty Biography

---

**Robert C. Campbell, PharmD**  
**Pharmacist, Standards Interpretation**  
**Division of Healthcare Improvement**  
**The Joint Commission**

Robert Campbell, PharmD currently serves as the Pharmacist for the Clinical Standards Interpretation in the Division of Healthcare Improvement at The Joint Commission. In this role, he functions as the subject matter expert for medication management related topics and assists with interpreting the intent of standards, providing guidance to organizations and surveyors, and supporting the accreditation and certification process across The Joint Commission Enterprise. Dr. Campbell continues to survey as a Field Representative for The Joint Commission in the Hospital Accreditation and Critical Access Hospital Accreditation Program as well as a reviewer in the Medication Compounding Certification Program to assess compliance with accreditation and certification program standards

Prior to joining The Joint Commission, Dr. Campbell worked in healthcare organizations and held leadership positions with oversight responsibilities for Performance Improvement, Accreditation Readiness, Risk Management, Infection Control, Medical Staff Services, as well as Inpatient and Outpatient Pharmacy Services.

Dr. Campbell is currently licensed as a Registered Pharmacist in Florida. In addition, he holds a Green Belt in Six Sigma.
